

Be True, Be You, Do What You Wanna DO

BY: ZOE, DESTINY, and CORRYN

I lost friends, I lost happy thoughts and feelings
Hearing people talk behind my back
My looks, My thoughts, My interests, My height
Be true, Be you, Do what you wanna do

People call me short, people say I'm not the right height
"I'm too short to reach-- Can someone help me?"
People will always say "How's the weather down there?"
I always feel like everyone's punching bag.
I don't wanna feel like this anymore.
Be true, Be you, Do what you wanna do

I don't fit in, people don't like my style
"Ew that outfit is ugly, it doesn't fit in!"
"Why do you look like that, you look terrible!"
Be true, Be you, Do what you wanna do

I can't do this, I don't believe in myself
"I have a test coming up and I think I'm gonna get a zero."
"I don't think I can do this."
Be true, Be you, Do what you wanna do
Rumors shouldn't hurt you-- Be yourself!
