

I Don't Want to Fall

by Minevelyin Rodriguez

Would you catch me?
I'm worried that you won't.
Can you hold me?
I have a feeling your answer will be no.
Will you stay?
Nah, you'd probably just go.
Could you be honest?
I don't think so.
Should I trust you?
Most likely not.
Are you toxic?
Scared to know the answer.
You ask why I won't fall.
Well, I just listed them all.
