

# A Thousand Cherry Blossoms

A Thousand Months Have Passed.

A Thousand Years Have Passed.

A Thousand Decades Have Passed.

A Thousand Cherry Blossoms only bloom once.

Once in a lifetime, The pink sprinkled sky has shown.

One Season, One Lifetime.

One Lifetime, One Season.

Cherry Blossoms Everywhere.

The dawn of a new Spring.

The Dawn of New Warmth.

The Dawn of a New Year.

The beauty that impacts all.

The one that is loved and adored by all.

A Thousand Cherry Blossoms have bloomed, yet again.
