

Hartford
you
We don't lead
We don't love
We live
We never leave
Why do people say these things
About me
Rather us
Abuela
She said dont go past Highland
You know the type of people who go there
The thing is I do
When I lie to leave
I'm with those people
When I plead to leave
I go to my friends
When I come home laughing
I've done it again
Its fine
Its fine
Its fine I said
Don't go to Kennelley
Your friends are ghetto just like you
But why
Their from Hartford dont ask why
Dad says
Go where you want
But remember
You and Albany Aves worlds are
Worlds apart
You might as well go to Greenwich
Where the rich girls are
But if you must
Don't slip up
Before they call worldstar
You must remember where your words are
Your not safe
Those people are dangerous
And high as where birds are
The things i've seen them do
Have stuck to me like a burn scar
Friends say
I know someone who knows someone

You want protection don't
Why don't you
Just let us know
It's crazy to me
Why don't people look at
The parks and think
Beauty
Because it's true
Why don't people look at
Park street and think
Family
Because love is the same
As anywhere else
Why don't we look at the
Buildings and schools
Home and love
Outside of this idea
That Hartford doesn't have
as much as everyone else
We are love
We don't discriminate
We thrive as any other
Hartford doesn't define us
But we define Hartford
Why I say
Why is hartford ghetto
Why do you look at
Hartford high and say loser
When their could be so many
Winners
Why say Kennelly is ghetto
When their could be so many
Scholars
Why say we can't make it
When we can
Why make us believe that
Because we refuse
We are as good as
North Haven and Talin
The only difference between
us is a median salary
We need to make a change
We are not what they tell you

I'll help you become one

We are Winners
