### **The letter of Abdul the third**

My heart shattered into pieces of  
The treachery you have caused .How  
Can I forgive or forget? I will never forgive or forget ,  
Vengeance is what I seek , Vengeance is what I will  
Have . Curse you Amado !!! Curse you !!! I will hunt you down as the  
Filthy Dog you are , I will slaughter you and feed you to the  
lions you bastard . I will not let Brother Kilz and his cause  
die in vain , I will avenge him .

If I can't get to you ; those who are close to you will feel my  
Raft that I will unleash upon them . I am the legendary assassin Abdul the  
third,I am the hunter , the feared one , the killer of Mongard the emperor  
Of Persia , the conquer of the Romans and Templars. Oh Amado you dare kill  
a brother of mine and betray the brotherhood after what we've done for you !!! Just  
Know the blade that I have used to slaughter and killed those before you will be  
Sharpened and used to chop your body up into pieces.

But for now I will restore the Brotherhood and make it more stronger than  
Ever . I will follow the cause of Brother Kilz of conquering and having full control of the  
whole world as the Great King Sulaiman (peace be upon him ) did by the will of Allah .  
Just know Amado your days are numbered, you shall meet my blade when I see you .

Sincerely Abdul the third
