

Violence

Hear it on the news every day

A rapper gets shot, life not the same

Fake supporters following you

But that's fine

When a real supporter says something

It's a crime and get told you never knew about him

Yall care about the family but clown your friend

Saying you never knew him before he was dead

Violence happens with perfect timing

Killed over money and jewelry

All this is some foolery

Ooo lets make a dance about him

Ooo let's make a diss track about him

So we can get some clout while other pout

Some rappers don't even make it past 30

We need some gun control in this world

So everyone can live in the days where they have gray hair

Life just don't seem fair

Long Live Tupac

Long Live Biggie

Long Live Juice Wrld

Long Live XXXTENTACION

Long Live Takeoff

Long Live Pnb Rock

Long Live Nipsey hussle

Long Live Pop Smoke

Long Live King Von

I'm not even done this list too long

“Be careful what you say and protect your life. A careless talker destroys himself.”
