

You narcissistic  
Pessimistic  
Materialist  
Potent to society  
You lie to me  
Then cry  
Ask me why  
When you lose  
I can fly  
You just like  
To pretend  
You soar  
Above the sky  
You narcissistic  
Pessimistic  
Materialist  
Potent to society  
I cant lie  
I know you try  
To hide  
Emotions  
Thats why  
Your so potent  
Its easy to see  
When I look in your eyes  
Your human  
I know you cry  
Hypermasculinity  
Doesnt help to shy  
That you have feelings too  
You dont need to lie  
Because when you lie  
I feel like you try  
To hard to be understood  
As something you are not  
Some sort of super macho man  
A super man whos  
All the rage  
Hot  
But you  
Just cant deal with the fact  
That your not  
You narcissistic  
Pessimistic

Materialist  
Potent to society
