

## Trapped

By Kaylee Rodriguez

Everyone loves everybody  
A little of this,  
a little of that.  
I wake up everyday  
looking for more power,  
more sources of immortality.

**I**  
**M**  
**T**  
**R**  
**A**  
**P**  
**P**  
**E**  
**D**

Going back on now or else I will,  
You said just run off like you always do.  
Everything I did was for us.

**Y**            You're still free.  
**O**            You don't have to be so you about it.  
**U**            He's gotta drag everyone else into his mess.  
**L**            You did it to yourself.  
**I**            You've become  
**E**            like this obsessive.

**D: Demolition**  
**E: Effortless**  
**M: Mind**  
**O: Obsessive**  
**N: Notes**

*You did it to yourself, you know I'd help if I could.  
I may have lied, this is not fun.*

I'm sorry.  
That's you to my rescue.  
Have I not ever lied,  
tricked us,  
just ask me to get out of here.

**I'm sorry.**  
**I'm sorry.**  
**I'm sorry.**

**I don't want to see your face again.**

You put yourself here, not me.  
That's you.  
I don't want to see your face ever again.
